Tonight: Giovanni & Pileggi Salon Open House

After claiming a Rittenhouse Square property for the past fifteen years, **Giovanni & Pileggi** are moving to a beautiful new space in Midtown Village at 258 S. 11th St. (between Locust and Spruce on 11th St.)

To celebrate, owner Giovanni Mele and the rest of the Pileggi staff will be hosting a special event this evening from 5:30-7:30 p.m, where guests will be treated to a personal tour of the new studio as well as product giveaways and and light refreshments.

Established in 1997, Giovanni & Pileggi has earned a reputation as one of the city's top salons, receiving countless accolades and awards. In addition to delivering perfect cuts, colors, styles and specialty treatments, their skilled stylists offer customers makeup applications and eyebrow shaping. By bringing his staff to a more centralized location, Mele is hoping the salon will be able to provide more personalized "concierge" service to customers.

So come check out their new digs and maybe consider a new do.
